All Hail St. Bernard's High

St. Bernard's High School educates students to be life-long learners and leaders who will embrace the challenges of the world with courage, integrity, and hearts dedicated to service. We do this through our commitment to faith and a strong community of faculty, staff and families who nurture the individual - mind, body, and spirit.

Yearbook Dedication

Dear Bernese,

The Class of 2023 would like to dedicate this year's Yearbook to you.

Thank you for all that you do for our school community. Not only do you work tirelessly behind the scenes to keep our school clean and safe for everyone who walks through its doors but you are always there for us, whether to answer questions (even when they are really unnecessary ones) or to take the time to organize events like the Senior Breakfast for us.

Your hard work and dedication do not go unnoticed. You are a shining example of what it means to take pride in one's work and to do it with a smile. You are always there to lend a helping hand, to offer a kind word, or to brighten someone's day. Your presence in STB is truly invaluable. You make our school a better place to be, and for that, we are all incredibly grateful.

As we look back on our time at this school, we will always remember your kindness and "can-do" attitude.. Thank you for being such an amazing member of St. Bernard's community. We wish you all the best and hope that you know just how much you are appreciated.

Sincerely,
The Class of 2023

Letter from Class President

Dear students of the class of 2023,

The journey that we have gone on has been filled with many ups and downs. We have gotten through a worldwide pandemic and online school. In spite of this, we have persevered through these challenges through our own determination and the love and guidance as members of the St. Bernard's community. As we take our next steps in our lives, we will continue to be supported by those same people. The faith we have in ourselves and in God will determine our future. No matter where you go, you are always loved and a part of the St. Bernard's High School family. We, as a class, have grown and matured through our experiences. We will continue to grow as we move into the next chapter of our lives and begin a new story. I wish you all the best in your futures and I am certain that we will all continue to shine in God's image.

Sincerely, Patch Ginnity

Letter from Mrs. Anderson

Dear Class of 2023,

This one's for you.

Time always seems to move slowly until it's passed, and then we find ourselves scratching our heads wondering how we got here. At least, these are the sentiments I feel when I realize that your four years of high school have come to a close.

In many ways, we've grown together these four years: you into strong-hearted and talented adults, and me into the role of a school leader. We've each hit our bumps along the way, some bigger than others, and some so big they nearly knocked us out of the fight; but what a privilege it's been to grow alongside you. I will forever be grateful for the experience, and I thank each and every one of you for your humor, generosity, and grace.

As a class, you are full of heart and charisma: hold on tight to both. You'll need them down the road, especially when trouble finds you. (And, trust me: it will. It always does!) What I hope more than anything for you is that you find strength, purpose, and love throughout your lives; that you realize your gifts — which have been on full display to us these past four years — and spend your years sharing them with others. I especially hope you share those gifts when it's hardest to do so: when cynicism, apathy, and doubt have crept into your heart and have made it hard to have hope and faith. May you always be a light for others, just as you have been for us.

Life will surely take many twists and turns — as it has even these few short years. May your minds and hearts remain open, holding you in awe of the many and vast mysteries of the world. That same world is in great need of hearts and minds like yours.

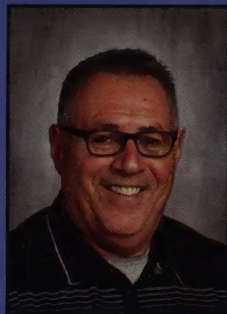

Stand courageously in the face of your future and know why you are loved: by God, by your friends and family, and by your school, who will cherish our time with you long after the day you leave.

With love,
Mrs. Anderson
